CALLING ALL UPCOMING Kindergartners, 1st, 2nd, 3rd, 4th, and 5th GRADERS and PARENTS who are interested in Cub Scouts!

Join the Fun!

Come join the Pack 141 family. Cub Scouts get to do fun things with other kids, earn awards for their achievements, go places, investigate new ideas, and discovery new things! They play games, sports, take part in community service projects, build things, and learn about nature and environmental stewardship.

There is a reason for everything we do in Cub Scouting. Apart from the fun and excitement, the aim of Cub Scouting is to help our scouts grow into citizens of good character, who are physically strong, mentally awake, morally straight. This is why we say Cub Scouting is **fun with a purpose!**

Parents may also take part in the fun. Our leadership is composed entirely of parent volunteers who enjoy sharing their time and resources to provide a quality Scouting program. Think you would like to be a leader? Ask and we will get you our leader information. If this group sounds like something you and your family would be interested in, then we invite you to come join us for an awesome year of fun.
