**CALLING ALL GIRLS 3–18 YEAR OLD and PAR-
ENTS** who are interested in a scout-like program
for the highly active and spirited young girls who
want to experience a program that is catered
specifically to the young girls!

Come join the Troop 377 family. This program is
designed to help girls develop essential life skills,
as well as a desire to explore and learn about the
things around them. We cater to all age levels,
with some activities for all the girls and others set
up for the separate age levels. Whether it's
camping, fishing, kayaking, rock climbing, or just
take a simple hike through the woods, this pro-
gram offers an individual badge on just about
every topic a girl would wish to learn about and
more. With over 1200 badges
listed and more being added each day, there is
something for everyone. Apart
from the fun and excitement, the aim of Frontier
Girls is to raise women of honor
through life skills, leadership, charac-
ter building, teamwork and service to others.
Mothers may also take part in the
fun. Our program allows mothers to join with
their daughters to go through the
program and earn badges as well. This is why
we say Frontier Girls is **fun with a
purpose!**

Our leadership is composed entirely of parent
volunteers who enjoy sharing their time and
resources to provide a quality Frontiering pro-
gram. Think you would like to be a leader? Ask
and we will get you our leader information. If
this group sounds like something you and your
family would be interested in, then we invite
you to come join us for an awesome year of
fun.
