CALLING ALL GIRLS 3—18 YEAR OLD and PARENTS who are interested in a scout-like program for the highly active and spirited young girls who want to experience a program that is catered specifically to the young girls!

Come join the Troop 377 family. This program is designed to help girls develop essential life skills, as well as a desire to explore and learn about the things around them. We cater to all age levels, with some activities for all the girls and others set up for the separate age levels. Whether it's camping, fishing, kayaking, rock climbing, or just take a simple hike through the woods, this program offers an individual badge on just about every topic a girl would wish to learn about and more. With over 1200 badges listed and more being added each day, there is something for everyone. Apart from the fun and excitement, the aim of Frontier Girls is to raise women of honor to be the mothers and leaders of the future through life skills, leadership, character building, teamwork and service to others. Mothers may also take part in the fun. Our program allows mothers to join with their daughters to go through the program and earn badges as well. This is why we say Frontier Girls is **fun with a purpose!**

Our leadership is composed entirely of parent volunteers who enjoy sharing their time and resources to provide a quality Frontiering program. Think you would like to be a leader? Ask and we will get you our leader information. If this group sounds like something you and your family would be interested in, then we invite you to come join us for an awesome year of fun.

When we meet!
